This Appendix serves as an explanatory statement, as required by Rule 10.06 (1)(b) of the Listing Rules, to provide the requisite information to you to enable you to make an informed decision as to whether to vote for or against the Repurchase Resolution.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 802,476,000 Shares. Subject to the passing of the Repurchase Resolution at the AGM and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 80,247,600 Shares during the period which the Repurchase Mandate remains in force.

REASONS FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share.

FUNDING OF REPURCHASE

In repurchasing securities, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association, the Listing Rules and the applicable laws of the Cayman Islands. Purchases and redemptions may only be effected out of the profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose, or, if so authorised by its articles of association and subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by its articles of association and subject to the provisions of the Companies Law, out of capital.

There may be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts for the year ended 31 December 2006 contained in the 2006 Annual Report) in the event that repurchases of Shares under the Repurchase Mandate were to be carried out in full during the period which the Repurchase Mandate remains in force.

The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company, which in the opinion of the Directors are from time to time appropriate for the Company.

SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous 12 months preceding the Latest Practicable Date were as follows:

DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates (as defined in the Listing Rules), have any present intention, in the event that the proposed Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

No connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have any present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Company is authorised to make repurchase of its own Shares.

UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the proposed resolution in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

TAKEOVER CODE

If as a result of repurchase(s) of Shares by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeover Code. As a result, a Shareholder or a group of

Shareholders acting in concert could, depending on the level of increase of his or their interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Code.

As at the Latest Practicable Date, Fortune United Group Limited held 342,072,000 Shares, representing approximately 42.63% of the total issued share capital of the Company. On the assumption that the issued share capital of Company remains at 802,476,000 Shares and based on the shareholding of Fortune United Group Limited above, in the event that the Directors exercise the power to repurchase Shares in full pursuant to the Repurchase Mandate, the shareholding of Fortune United Group Limited in the Company will increase to approximately 47.36% of the issued share capital of the Company. As a result, Fortune United Group Limited (and persons acting in concert with it) may be required to make a mandatory offer under Rule 26 of the Takeover Code. The directors have no present intention to exercise the Repurchase Mandate to an extent such that an obligation to make a general offer under the Takeover Code will be triggered.

SHARE REPURCHASE BY THE COMPANY

The Company had not purchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
